C.4.1 Practice Quiz

11) The statement below was made by Secretary of State John Kerry on February 25, 2015.

Republican and Democrat alike, who put us on a course to win the battle against tyranny and dictatorship and to win the battle for democracy and human rights and freedom for a lot of people. And no country on the face of this planet has expended as much blood, put as many people on the line, lost as much of our human treasure to offer other people an opportunity to embrace their future, not tell them what it has to be.

Source: Testimony Before the U.S. House of Representatives Foreign Affairs Committee

Based on the passage, what is the relationship between U.S. domestic affairs and foreign affairs?

| A. | Increases in education spending will influence the president’s decision to negotiate a treaty with an autocratic government. |
| B. | Increases in military spending will influence the president’s decision to form an alliance with an autocratic government. |
| C. | Increases in education spending will influence the president’s decision to recognize a newly independent nation. |
| D. | Increases in military spending will influence the president’s decision to form an alliance with a newly independent nation. |
